Update for the 2020-2021 School Year

All students in Lodi Unified School District remain on distance learning. The district will continue to follow the guidance of San Joaquin County Public Health Services and the San Joaquin County Office of Education regarding the status of in person instruction. Please continue to monitor McNair's website, Lodi Unified's website and communications from McNair and the district for the latest information.

Senior Update

McNair's graduation date has been set for Monday, June 7 of 2021. At this time we do not know what type of graduation ceremony, if any, will be permitted. We will continue to follow the guidance of the San Joaquin County Office of Public Health and the San Joaquin County Office of Education. We will share relevant information when it becomes available. Please know that circumstances, including the date and time of any potential graduation activity are subject to change.

From the Library

Students, be sure to check out McNair's extensive offerings of e-books and audiobooks on the library part of the McNair webpage. Go to the McNair Webpage, hover over Library and then click "Search Books and Databases" to see these offerings. If prompted, log in to "McNair High Library Media Center

Virtual Parent Workshops

McNair will be hosting a virtual workshop on Wednesday, February 10. **Healthy Living & Healthy Eating** invites families to learn about Dietary Guidelines for Americans and general nutrition to support positive healthy eating behaviors. Learn about practical tips for teaching and modeling healthy habits and how to reinforce a healthier lifestyle.

Tutor.com Supports Student Success

We are pleased to announce a new resource available to our middle and high school students. As of February 4, 2021 at 6pm, students will have access to on-demand tutoring support. This is in addition to the supports and services they receive from school staff. Review the flyers below for more details on how to access this resource. There are tutors available to provide support to students in both English and Spanish. Students can access tutor.com through clever or by visiting tutor.com/LodiUsd
