- ◆ **December 19 & December 20**
Finals Schedule (Students Released at 11:35 am)
- ◆ **Winter Break:**
December 21– January 5

Cash for College and ELAC

On Tuesday, November 5 from 4:00 pm to 7:00 pm McNair will be hosting a “Cash for College Night.” Representatives from Delta College will be in our library to answer questions about financial aid and assist students and families with the Free Application for Federal Student Aid (FAFSA). McNair will also be hosting an English Learner Advisory Committee (ELAC) meeting prior to the Cash for College event. The ELAC Meeting will begin at 4:00 pm in the Career Center.

Safety and Security Update

Due to reasons related to student safety, LUSD nutritional guidelines, and limited office resources, Ronald E. McNair High School does not allow the delivery of food to school by parents, relatives, friends, or restaurant delivery services. Students may buy lunch on campus or bring it with them in the morning. Food deliveries to campus will not be accepted. Likewise, for reasons of school and student security and safety, students are not allowed to go through school gates and run to the street to grab food from passing cars. This has once again become a noticeable problem and we remind all students and parents about this.

Health Careers Academy

McNair’s Health Careers Academy continues to participate in a number of different activities on campus and in our community. In September, members of the Health Careers Academy participated in Westwood Elementary School’s Health Fair as well a blood drive at McNair. On October 22 Health Careers Academy students will have a chance to take suturing 101, where they learn how to suture. On October 24 students will be visiting Shriner’s Hospital in Sacramento.

From the Counseling Office

The McNair Counseling staff will be staying after school during October and November to help seniors with college applications (including Personal Statements, and FAFSA, too). Our counselors will be in the Career Center 4 days a week (excluding Wednesdays) at 2:30 pm until November 26th to help students with applications.
